In compliance with the requirement of the Examiner to elect the invention to be examined, Applicant hereby elects invention of Group I for a cutting apparatus with a specific work piece handling configuration.

The claims readable thereon are claims 9 and 10-15.

Independent claim 9 is generic and links inventions designated as I and II.

Applicant has noted that if a generic claim is found allowable, the restriction requirement will be withdrawn.

In any event, right is reserved to file a divisional application for the non-elected invention.

Respectfully submitted,

Albert Josif (Reg. No. 22,917)
